INTRODUCTION

Congratulations on being selected to participate in the 13th annual Executive Cup College Showcase program!

The Executive Cup is a college showcase program that allows high school-aged players to begin or continue their college athletic recruiting process and showcase their abilities in front of college coaches.

To provide the best opportunity for this year's participants, we will need full cooperation and participation in the weeks going forward.

Our Mission:

Identify top prospective soccer recruits from the Long Island & New York Metropolitan area, host competitive 11v11 matches, and connect participating players with college soccer coaches.

WHAT TO EXPECT

- Minimum of Three 11v11 Game Matches (Playoff & Championship Matches for those that advance)
- Access to AGS ProductiveRecruit Platform
- College Recruiting Guidance from andGO Sports Staff & Team Coaches
- College Coach Attendance at Matches
- Downloadable Match Raw Footage & Uploaded on [AGS Youtube Page](#)
- Video Shared with College Coaches from NCAA, NAIA & NJCAA Programs

COLLEGE COACH REACHOUT

We will do our best to share roster booklets, invite college coaches to attend match dates, and share match footage links. **But college coaches want to hear from YOU (the recruit)!** Showing up and playing well on match days is essential, but inviting college coaching staff from your index schools is equally important.

Take the time to email, text, direct message on social media, and invite and share your schedule with college coaches.

MATCH VIDEO

Match footage has helped many of our program alumni with the recruiting process. The raw footage can be used to create a highlight video, and the full match links can be easily shared with college coaches that request.

MATCH DAY DETAILS

- Arrive 45 minutes before your kick-off time (matches will start on time)
- Players will receive their assigned Jersey upon check-in on their first match
- What to Bring:
 - Field players must bring and wear their own black shorts and black socks for each match (GK's can wear their preferred shorts and socks)
 - Your Team Color Numbered Jersey
 - Shinguards
 - Water / Sports beverage

COMMUNICATION IS KEY

Each team color has a cap number of 15 field players and one goalkeeper on a roster. Teams were formed based on primary position, secondary position, and availability. We understand some players have prior club team, College ID, or family commitments that conflict with a match date (thank you to those that already informed us if they had a conflict). That being said if anything comes up leading up to a player's match, we ask to be notified in order to prepare your team coaches.
